

## Skipping Ropes

We've tried speed ropes by many manufacturers over the years and although they all look the same in a picture, in real life and real use there is a huge difference between the good and the bad. These Speed Ropes by Fitness Mad are as with all their kit, top quality. [CLICK](#) for size guide >>

Price £5.99

Monitor your skipping with this digital skipping rope. The onboard computer records your number of skips and also allows you to enter your personal information to provide an approximation of calories burned. More importantly, both the skip rope's well made and the handles are comfortable to hold.

RRP: £10.99

**Our Price: £9.99**

You Save: £1.00 - 9 % Discount
