As a full-size foam roller is not necessary for the requirement of many (e.g. those using one for muscle & ITB release on the legs), we now offer this half-size foam roller - which has the benefit of being a more portable size too.

Price: £16.99

<http://www.gymratz.co.uk/foam-roller-half-size>

The Twin Vari-Massage Foam Roller is a foam roller with various patterns on it to help massage and aid myofascial release. The "twin" allows you to join them together for a full-length roller, or, to separate and take a half-size roller on-the-move e.g. sticking one in a gym kit bag.

RRP: £52.99

Our Price: £41.60

You Save: £11.39 - 21 % Discount
