GymRatZ Brigade/Dash, Sled, Prowler track is the highest grade gym track available. With simple side markers at 1m intervals it's also the cheapest in the premium range due to simplicity of design. Any size up to 4m wide and 25m long is available if required.

Price from £525.00

<http://www.gymratz.co.uk/gymratz-gym-track-premium-brigade-dash>

GymRatZ Squadron/Arrow, Sled, Prowler track is the highest grade gym track available. With speed/direction markers and START and STOP indicators having 2 tracks side by side in opposing directions would be the perfect way to control sled traffic in your gym.

Price from £625.00

<http://www.gymratz.co.uk/gymratz-gym-track-premium-squadron-arrow>

GymRatZ Grenadier/Rush Sled, Prowler track is the highest grade gym track available. With discrete distance edge markers and distance numbering in metres the Grenadier/Rush design leaves the floor less visually "cluttered" and possible more suitable for a multi-purpose gym floor astro turf area.

Price from £625.00

<http://www.gymratz.co.uk/gymratz-gym-track-premium-grenadier-rush>

GymRatZ Battalion/Bolt Sled, Prowler track is the highest grade gym track available. With centralised distance divisions with numerical metre measurements our Battalion/Bolt Gym Track Design is equally at home on 1, 1.5, or 2m track widths. Call us if the size you require needs a quote as not...

Price from £625.00
